|---|-------------------|---|------|
| A | | A | |
| Accessory urethra in a male child | 134 | Johnson, H. D. (editor), Surgical aspects of medicine | 239 |
| ACKLAND, T. H., Retromandibular parotid tumour | 1 | Lapage, G., Art and the scientist | 237 |
| Acute diverticulitis with perforation in a jejunal diverticulum | 77 | Le Roux, B. T., Techniques of thoracotomy | 327 |
| Adenotonsillectomy, endotracheal anaesthesia for | 62 | Lloyd, C. and Coulter, J. L. S., Medicine and the Navy, 1200-1900. Vol. III—1714-1815 | 240 |
| Anatomical aspects of hypopharyngeal diverticula | 307 | McLaren, J. W. (editor), Modern trends in diagnostic radiology | 158 |
| Anterior spinal fusion | 161 | Nichols, H. M., Manual of hand injuries | 80 |
| B | | Pack, G. T. and Ariel, I. M. (editors), Treatment of cancer and allied diseases, Vol. 4—Tumours of the breast, chest and oesophagus | 157 |
| BARCLAY, S. de C., Conservative surgery in tubal ectopic gestation | 50 | Rewell, R. E., Obstetrical and gynaecological pathology | 155 |
| BARNETT, J. S. and STEPHENS, F. D., Role of the lower segmental vessel in the aetiology of hydronephrosis | 201 | Robins, R. H. C., Injuries and infections of the hand | 327 |
| BAXTER, T. J., Observations on a polycystic kidney by microdissection | 115 | Shanks, S. C. and Kerley, P., Textbook of X-ray diagnosis. Vol. 4—Bones, joints and soft tissues | 159 |
| BEAL, R. W., Islet cell tumour of the pancreas | 54 | Shepherd, J. A., Surgery of the acute abdomen | 158 |
| Behaviour of the sphincter of Oddi in health and disease | 40 | Shirodkar, V. N., Contributions to obstetrics and gynaecology | 239 |
| BELLEMORE, C., Colostomy explosion | 325 | Spurling, R. G. and Woodhall, B. (editors), Surgery in World War II—Neurosurgery, Vol. II | 159 |
| Bilateral pre-vascular femoral hernia | 318 | Tranchell, H. G. and Bannister, C. R., Circulatory ulcers, a physical approach | 156 |
| Blood flow, peripheral, during anaesthesia | 29 | Tucker, W. E., Active alerted posture | 159 |
| Books Received | 80, 160, 240, 328 | Wallace, A. B. (editor), Transactions of the International Society of Plastic Surgeons | 155 |
| Books Reviewed (Authors) | | Watson-Jones, Sir R., Surgery is destined to the practice of medicine | 237 |
| Anan'yev, M. G. (editor), New Soviet surgical apparatus and instruments and their application | 328 | Wells, C. and Kyle, J., Peptic ulceration | 79 |
| Ballantine, R. I. W., Practice of general anaesthesia for neurosurgery | 79 | Wilkinson, A. W., Body fluids in surgery | 160 |
| Blewett, J. E. and Rackow, A. M., Anatomy and physiology for radiographers | 158 | Wilson, T. E., Surgical nursing and after treatment | 80 |
| Blond, K., Liver and cancer | 239 | | |
| Bourne, A. W., Synopsis of obstetrics and gynaecology | 80 | Books Reviewed (Titles) | |
| Davis, G. N. and King, R. M., Dentistry for the pre-school child | 240 | Active alerted posture (Tucker, W. E.) | 159 |
| Dukes, C. E. (editor), Neoplastic disease at various sites. Vol. III—Cancer of the rectum | 156 | Anatomy and physiology for radiographers (Blewett, J. E. and Rackow, A. M.) | 158 |
| Flocks, R. H. and Culp, D., Surgical urology | 328 | Art and the scientist (Lapage, G.) | 237 |
| Foot, R. R., Varicose veins | 157 | Body fluids in surgery (Wilkinson, A. W.) | 160 |
| Foster, W. D., Short history of clinical pathology | 238 | Care of the surgical patient (Glassman, J. A. and McNealy, R. W.) | 238 |
| Glassman, J. A. and McNealy, R. W., Care of the surgical patient | 238 | Circulatory ulcers, a physical approach (Tranchell, H. G. and Bannister, C. R.) | 156 |
| Honey, R. M. and Gelford, M., Urological aspects of bilharziasis in Rhodesia | 239 | Clinical Neurosurgery. Proceedings of the Congress of Neurological Surgeons, San Francisco, 1958 | 238 |
| Howkins, J. (editor), Shaw's textbook of operative gynaecology | 155 | Contributions to obstetrics and gynaecology (Shirodkar, V. N.) | 239 |
| Jackson, C. R. S., Eye in general practice | 155 | | |
